Acervo da Fundação Mário Leal Ferreira

An aerial photograph showing a multi-lane highway interchange with several overpasses. The highway is light-colored, contrasting with the surrounding dark, forested hills. To the left of the highway, there is a residential area with many small, light-colored houses. The landscape is rugged, with steep, forested slopes and some exposed rocky or sandy areas. The text "Acervo da Fundação Mário Leal Ferreira" is printed in the upper-middle part of the image.
